A message from the Principal

We made it!

The finish line is here and I want to thank everyone in the community for their support throughout the year. Behind the scenes it has been a challenge re-learning how to do the things we used to do before the lockdowns and guidelines but it has been so rewarding to get back to how things should be.

We are both sad and excited to share the news that Mrs Oliver has accepted an offer to fill a Relieving Assistant Principal position at Bolwarra Public School next year. Starting here doing casual work in 2017 before going onto class in 2018, Mrs Oliver has been an incredible teacher, staff member and friend. Obviously, this has come with very late notice and will mean a change to our staffing structure next year. Once the merit selection process for Mrs Robinson's position is completed next week, I will finalise the staffing and notify our community as soon as possible.

It has been a hectic few weeks with Carols Night, Presentation Day, Activities Day and the chaos that is the last day of school, all with swim school to add to the mix. As a Principal I couldn't be happier with our students and the way they have handled such a busy fortnight, all while showing why Hinton is such a special place. I am also incredibly thankful to all my staff who have given so much to make these things happen, all while balancing even more events for their own families.

I hope all our families have a safe, happy and healthy holiday and I am looking forward to getting back for a fresh start in 2023.

Have a brilliant break.

Mark Cridland
Principal
